

# ORDERING CUSTOM ROD ENDS

Suncor provides forged rod end blanks made from grade 304 stainless steel in 3/8" to 1" diameters in 3" to 10" lengths. Drill, cut and/or thread each blank to fit your application or have Suncor custom machine each item "to order" at our facilities.

## Record Rod End Specifications

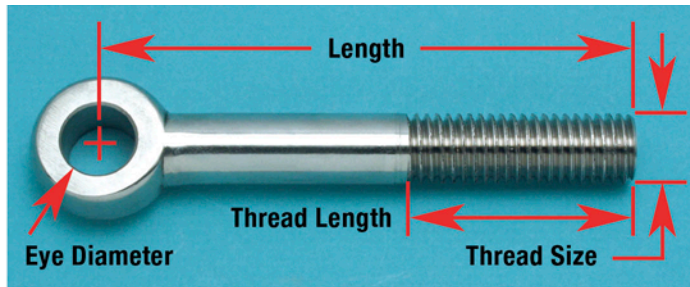

To easily order custom rod end, please record the desired specifications below. Use the picture to the right for reference.
