

# PRODUCT BULLETIN

What's Going on at Suncor Stainless?

## Fasteners - Additional Sizes Available

Suncor Stainless has expanded its fastener line by offering additional sizes for the following products: Hex HD Cap Screws, Nylon Insert Lock Nuts, Fender Washers, Split Lock Washers and Oversized Flat Washers.

## NEW PRODUCTS

## microstar™ Wiring Harness Assemblies

P/N: S0825 Series (Multiple Configurations Available)

The new Micro Star wiring harness assemblies are a complete line of wiring configurations to meet the end users needs. Push and screw connectors make connecting your Micro Star wiring easy with a click or twist motion. They also minimize the use of crimping or soldering. Rated IP61\*.

Configurations consist of 3-way branches, jumper, various extension lengths, various stand alone push/screw connector options and transformer wiring.

Micro Star Jumper (Screw Connectors) - 12"

Micro Star Extension (Screw Connectors) - 5'

Micro Star Extension Wiring - Male (Screw Connectors) - 8"

Micro Star 3-Way Branches (Screw & Push Connectors)

Micro Star Extension Wiring - Female (Screw Connectors) - 8"

Micro Star Extension (Screw Connectors) - 25'

\* IP61: Push and Screw Connectors are protected from total dust ingress and from condensation.

## microstar™ LED Light Bar

P/N: S0825-00XX Series

The Micro Star™ LED Light Bar is an easy to install lighting solution for your railings, steps, fencing and more. They come in three lengths (18", 30" and 42") and are offered in the following color options:

The light bar features a flexible LED light strip of natural white LED lights set into a powder coated aluminum channel with a clear plastic lens. Each kit comes with lens, LED strip, channel and fasteners. Male/female screw connectors make installation quick and easy. It is ideal for mounting to the underside of handrails for surface illumination. Use with low voltage transformer (Micro Star™ Transformer) and wiring.

For more information contact your Suncor Stainless Account Manager.

## Yoke End Clevis Clips

P/N: S0113-CLXX Series

The Yoke End Clevis Clips make it easy to make on-the-fly adjustments to your yoke end without disassembly and are compatible with yoke ends ranging in sizes from 3/16" to 1/2".

These Clevis Clips are made from grade 316L stainless steel for maximum corrosion resistance and durability, making it ideal for marine and industrial applications.

## Enhanced Cast Shackle Program

P/N: S0114-NSXX, S0115-NSXX, S0116-CPXX, S0116-NSXX, S0138-CPXX & S0138-NSXX

Suncor Stainless has consolidated and expanded our cast shackles (Wide "D", Straight, Bow and Long "D" with no snag and captive pins) including exclusive configurations. We offer case quantity pricing (lower prices for higher volumes).

We also offer dual inventory stock maintenance in both our Plymouth, MA and Las Vegas, NV warehouses. For more information contact your Suncor Account Manager.

# Q3, 2018 SUNCOR PRODUCT BULLETIN

## BARREL CHAIN PROGRAMS

Suncor Stainless' chain programs offer high quality stainless steel chain that is manufactured domestically in the United States and imported. Our stainless steel is competitively priced to market and we **now offer pricing by the barrel**. Product inventory is stocked and ready to ship from our Plymouth, MA and Las Vegas, NV Warehouses. Contact your Suncor Stainless Account Manager for pricing and availability.

### Domestic Chain Program

Suncor Stainless manufactures stainless steel chain for all industrial, marine and architectural needs. We manufacture high quality USA Made stainless steel chain. Our stainless steel chain is corrosion resistant, durable and will meet and exceed your expectations.

### Import Economy Chain Program

For a budget friendly chain option, Suncor Stainless imports stainless steel chain for industrial, marine and architectural needs. All imported chain undergoes the same quality standards that our domestic chain does. Our stainless steel chain is corrosion resistant, durable and will meet and exceed your expectations.

**NOTE: Barrel pricing for full uncut barrels ONLY! Freight free over \$2500. 3+ barrel pricing can be mixed sizes (full barrels ONLY!)**

## LAS VEGAS WAREHOUSE

Las Vegas Warehouse increases speed to market and provides fast and accurate shipping to the Western United States.

STOCKING

We here at Suncor Stainless have been working hard in 2018 to ensure all our customers get quality product as quickly as possible. We opened our Las Vegas facility to ensure our Western United States customers receive the same great service. With a warehouse full of 2,000 plus SKU's utilizing state of the art technology and manufacturing capabilities, we are able to get our product to our customers out west in a fraction of the time.
