## SUNCOR STAINLESS SHACKLE PROGRAM ANNOUNCEMENT

### Introducing Suncor's Enhanced Shackle Program with an Addition of 17 New Shackles

Plymouth, MA, March 29, 2018– Suncor Stainless is looking to expand their line of cast shackles to offer their customers an even larger selection. They announced their new shackle program with added styles and new sizes. Suncor introduced the Bow Shackle with Captive Pin in sizes ranging from 5/32" to 15/32", the Long D Shackle with No Snag Pin in sizes ranging from 1/4" to 1/2", the Twist Shackle with Captive Pin in sizes ranging from 1/4" to 3/8" and the Twist Shackle with No Snag Pin in sizes ranging from 1/4" to 1/2".

"We took a long look at the styles and sizes of cast shackles that we were offering and agreed that we could add more" says David Morgan, Vice President of Sales and Marketing for Suncor Stainless. "We wanted all of our cast shackles to come in a variety of sizes along with options of screw, captive and no snag pin styles for each body type."

Suncor is also looking to save their customers some money as well as ship product faster and reduce backorders. They will be offering volume discounts on cases along with dual inventory maintenance which will allow large quantities of shackles to be stocked in both Plymouth and Las Vegas warehouses. This will make product readily available with little wait time to meet the increasing demand.

Suncor Stainless, Inc. is a leading manufacturer for stainless steel hardware in the industrial, marine, government, architectural, OEM and commercial industries. Suncor's modern facilities manufacture the highest quality stainless steel chain, wire rope assemblies and custom parts. The in-house capabilities include a product development staff whose tireless efforts, along with valuable input from clients, work to continuously improve and perfect their ever-expanding product line.
