

Take a Look at Some of Suncor's Common Customizable Products:

ROD ENDS

Grade: 304 Stainless Steel

The Custom Rod End can be made to fit your specific dimensions and specifications. It is available in sizes ranging from 3/8" to 1" and lengths from 3" to 10".

EYE BOLTS

Grade: 316 Stainless Steel

Thread Type: UNC

The Custom Eye Bolt Set features a fully threaded rod welded into an eye nut. It includes one nut and washer and is UNC thread. This eye bolt is available in sizes from 1/4" to 1". The shank can be cut to any desired length.

HEX NUT BLANKS

Grade: 316 Stainless Steel

The Hex Nut Blanks come in a range of larger sizes from 5/8" to 1-1/2" (M16 to M39). These are unthreaded blanks that need to be threaded. Suncor offers threading services. Designed to be universal, each blank size can be UNC, UNF or Metric threaded.

WIRE ROPE ASSEMBLIES

Grade: 304 & 316 Stainless Steel

If your looking for custom configurations, let us build your perfect wire rope assembly. We build quickly and to your specifications. We offer unlimited options to provide cable assemblies of your choice for many applications.
