

GALVANIZED FOLDING GRAPNEL ANCHORS

HIGH-QUALITY ANCHOR

Corrosion-resistant, rust-proof, strong and durable.

GALVANIZED SHACKLE

Included with G8001 anchors.

PORTABLE AND FOLDABLE

Great for smaller vessels to fold up and neatly stow into compact storage compartments.

HIGH-VISABILITY BUOY

Highly visible buoy stays near the surface, so you'll never lose sight of it.

ANCHOR STORAGE BAG

The storage bag comes with the black, blue, green and red grapnel anchors only.

Suncor® Stainless Galvanized Folding Grapnel Anchors

Available in a Variety of Colors

The Folding Grapnel Anchor is cast iron galvanized and is great for muddy, sandy, weedy, or rocky bottoms. Its shape allows the flukes to hook onto inanimate objects and hold strong.

The anchor is generally used for temporary mooring of watercrafts such as:

- Kayaks
- Row Boats
- Canoes
- Paddle Boards
- Float Tubes

Anchor comes complete with one galvanized shackle (G8001 series only), 38 feet of nylon rope spliced to it, an in-line buoy which slides up and down the rope, a stainless steel spring clip at the end and a nylon storage bag.
