Suncor Stainless® featured in American Fastener Journal's January/February issue

"Suncor's ever-expanding product line has become one of the world's most complete and highest quality sources for stainless steel chain, hardware, and custom parts."

by Suncor Stainless

From stainless steel rigging hardware to marine grade fittings, our stainless steel products will meet and exceed your expectations. Suncor is one of the only manufacturers in the United States to specialize in manufacturing stainless steel chain and hardware, continuing the rich history of "Made in USA" at Suncor Stainless. Suncor Stainless serves as a one-stop-shop for all your stainless steel needs. We offer a variety of value-added services as well as custom manufacturing. The Suncor team can work with you to design and fabricate virtually any stainless steel custom product needs. We can create something from the ground up or modify one of our existing items to fit your needs. Not sure if we can do it? Ask! We're proud to say Suncor Stainless offers the most complete selection of the highest quality. Our products are backed by a staff of knowledgeable experts that have been in the stainless steel industry for decades. As an ISO 9001:2015 certified company, you can trust that all Suncor products and services will consistently meet customer and regulatory requirements.

Suncor Stainless was featured on the [cover](#), pages [12-13](#) and [14-15](#) of the January/February issue of American Fastener Journal.

EMPLOYEE HIGHLIGHTS

To accommodate the significant growth in the past few years, Suncor Stainless is delighted to announce the newest addition to the Suncor Stainless sales team. Sam Pegram, who is stepping into the role of Southeast Region Account Manager, comes to us with an impressive track record, bringing a wealth of experience and a proven history of success.

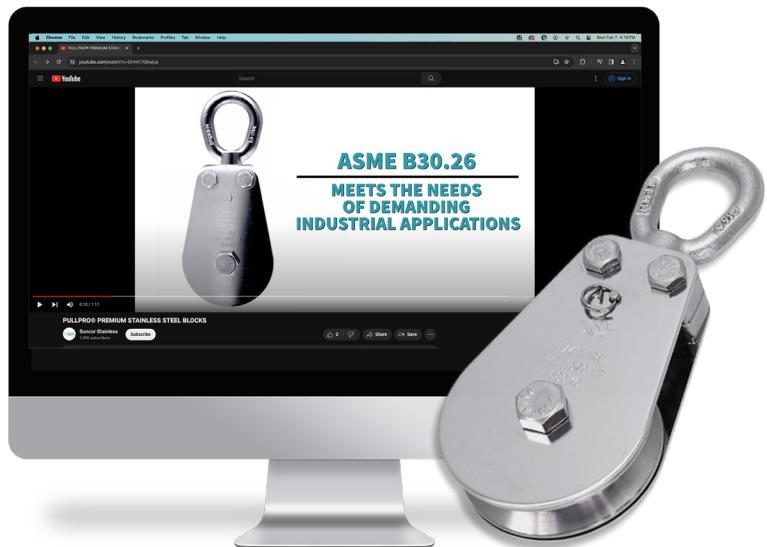

With Sam's years of experience in the Oil, Gas, and Industrial markets, Sam has consistently demonstrated a deep understanding of his customers' needs and a keen ability to develop and nurture strong business relationships. Sam's commitment to excellence aligns with Suncor's values, and we are confident that he will contribute significantly to our continued growth and success.

Suncor is also excited to announce that Janelle Veiga has been promoted to the position of East Region Sales Manager. Janelle has been with Suncor Stainless for 15 years, starting in Customer Service and most recently as the Southeast Regional Account Manager. She has played an integral role in our team's achievements, and Suncor's rapid growth the past few years. We are pleased to see her thrive in this new leadership role.

Suncor Stainless welcomes Sam to the Suncor Stainless family and congratulates Janelle on her well-deserved promotion.

SUNCOR PRODUCT ANIMATIONS

COMING SOON TO OUR WEBSITE!

Suncor Stainless is in the process of developing 3D product animations to demonstrate the features of our products in an interactive way. This helps you better understand and appreciate the benefits of our products. The animations will rotate to show every angle of each product, and show their functions. They will soon be on suncorstainless.com, under the Specifications section of each product page.
