

FOR IMMEDIATE RELEASE

**SUNCOR® STAINLESS ANNOUNCES THE ADDITION OF MICHELLE NEWTON
AS THE NEW NORTHEAST REGION ACCOUNT MANAGER**

Plymouth, MA, March 1, 2024 – Suncor® Stainless Inc., is the leading manufacturer for stainless steel hardware in the industrial, marine, government, architectural, OEM and commercial industries. To accommodate the rapid growth in the past few years, Suncor® Stainless is delighted to announce the newest addition to the Suncor® Stainless sales team. Michelle Newton, who is stepping into the role of Northeast Region Account Manager, comes to us with decades of experience in the Industrial, Construction, Oil & Gas, and Fastener markets with Stanley Black & Decker. She has worked in multiple regions, along the Gulf Coast as well as New England.

Her in depth experience includes account management, customer service, and e-com sales, making her a great fit at Suncor Stainless. Michelle has led sales and marketing groups in various industries, markets, and regions throughout the U.S. We are excited to welcome Michelle to the Suncor family, and we are happy to say she has already hit the ground running in her new role.

“I’m excited to take over the Northeast territory for Suncor Stainless and aligning with their exceptional values while providing outstanding customer service. My role will bring different challenges and allow me to work with new customers with an industry leading product line.”

- Michelle Newton, Northeast Region Account Manager

You can contact Michelle Newton at mnewton@suncorstainless.com - (508)-732-9191 x 1002

Suncor® Stainless, Inc. is a leading manufacturer of stainless steel hardware in the industrial, marine, government, architectural, OEM and commercial industries. Suncor’s modern facilities manufacture an ever-expanding product line that has become one of the world's most complete and highest quality sources for stainless steel chain, hardware, and custom parts. As an ISO 9001 certified company, you can trust that all Suncor® products and services will consistently meet customer and regulatory requirements.
