ABOUT US

Suncor Stainless, Inc. is the premier manufacturer of stainless steel hardware and components in the industrial, marine, architectural, commercial, government and OEM markets. With modern facilities nationally and worldwide, Suncor's ever-expanding product line has become one of the world's most complete and highest quality sources for stainless steel chain, hardware, and custom parts. From stainless steel rigging hardware to marine grade fittings, our stainless steel products will meet and exceed your expectations. Suncor is one of the only manufacturers in the United States to specialize in manufacturing stainless steel chain and hardware, continuing the rich history of "Made in USA" at Suncor Stainless.

Suncor Stainless serves as a one-stop-shop for all your stainless-steel needs. We offer a variety of value-added services as well as custom manufacturing.

Our services include:

- Custom Stainless Steel Manufacturing
- Custom Stainless Steel Chain Assemblies
- Custom Webbing
- Product Testing and Quality Assurance
- Corrosion Resistance Testing
- Custom Threading
- Strength Testing
- Metal Content Testing
- Machine Swaging
- Retail Packaging

The Suncor team can work with you to design and fabricate virtually any stainless steel custom product needs. We can create something from the ground up or modify one of our existing items to fit your needs. Not sure if we can do it? Ask!

We're proud to say Suncor Stainless offers the most complete selection of the highest quality. Our products are backed by a staff of knowledgeable experts that have been in the stainless steel industry for decades. As an ISO 9001:2015 certified company, you can trust that all Suncor products and services will consistently meet customer and regulatory requirements.

INDUSTRIAL & RIGGING

Suncor Stainless offers industrial strength product that is built tough and precision engineered to perform at the highest level in some of the most demanding applications. Made from stainless steel, our line of industrial and rigging components is resistant to harsh saltwater & chemical environments and is a great hygienic solution for use in the medical and food service industries. Many of these items are load rated, marked with their assigned working load limit and approved for lifting applications. Suncor adheres to stringent quality control systems put forth as an ISO company to ensure our customers receive industry leading product.

LIFTING HARDWARE

Lifting Chain, NACM Industrial Chain, Forged & Cast Shackles, Grab Hooks, Slip Hooks, Eye Swivel Hooks, Shank Hooks, Forged Swivels, Eye Nuts, Eye Bolts, Hoist Assemblies, Sling Tags

CHAIN ACCESSORIES

Grab Hooks, Slip Hooks, Swivel Hooks, Forged Swivels, Connecting Links, Hammerlock Links, Master Links

FASTENINGS

Ratchet Straps, Webbing Hardware Lag Screw, HD Hex Cap Screws, Timber Spikes, Threaded Rod, J-Bolts, U-Bolts, Machine Screws, Wood Screws, Washers, Hex Nuts

RIGGING COMPONENTS

Sheaves, Shackle Pins & Bodies, Seizing Wire, Cotter Pins, Forged Turnbuckles, Welded Chain, Yoke Ends, Hooks, Quick Links, Round Rings, Lashing Rings, Pulley Blocks, Pad Eyes, Ring Bolts, Toggles

WIRE ROPE & FITTINGS

304 & 316 Wire Rope, Wire Rope Clips, Commercial & Fed Spec Thimbles, Swage Sleeves, Mil Spec Swage Fittings

SHACKLES

Forged & Cast Shackles, Bow, Straight D, Long D, Halyard, Webbing, Headboard, Twist, Shackle Components With Screw Bolt, Captive, Round, Key & No Snag Pin

MARINE & BOATING

Suncor Stainless offers an extensive line of stainless steel marine hardware and accessories for all your boating needs! From heavy duty rigging products to functional deck hardware fixtures to Bimini railing components, we have you covered. Our marine products are made from the finest grade 316 marine grade stainless steel for maximum corrosion resistance and durability. Enjoy years of being on the water with the peace of mind that your boat's Suncor stainless hardware was designed to withstand the harshest environments and is up to the challenge!

DECK & CABIN HARDWARE

Cleats, Chocks, Pad Eyes, Access Hatches, Lift Rings, Hinges & Hasps, Through Hull Fittings, Deck Pipes, Antenna Mounts, Rod Holders, Fairleads

LIFELINE ACCESSORIES

Quick Attach™ Fittings & Lifeline Kits, Jacklines, Pelican Hooks, Coated & Uncoated Wire Rope, Stanchions, Stanchion Bases, Swage Studs, Toggles, Gate Eyes, Snap Shackles, Adjusters, Locking Clips

RIGGING HARDWARE

Swage Terminals & Sleeves, Shackles, Turnbuckles, Toggles, Eye Bolts, Pulley Blocks, Sheaves, Swivels, Thimbles, Wire Rope

RAILING & BIMINI

Rail Bases, Elbows, Tees, Corners, Rail Supports, Caps, Slides, Hinges, Clips, Pins

TRAILERING

Trailer Winch, Roller Brackets & Shafts, U-Bolts, Pad Eyes, Ratchet Straps, Webbing Hardware, Hitches, Couplers, Safety Chain, Trailer Pins

BOATING ACCESSORIES

Grapnel Anchors, Anchor Chain, Anchor Shackles, Thimbles, Swivels, Snubber Hook, Hooks & Spring Clips

ARCHITECTURAL

GENERAL USE

Suncor Stainless offers a variety of fasteners, cable connectors, tensioning devices, turnbuckles and interchangeable components designed for use with our wire rope and chain selections. Architects and engineers will find creative solutions within this category, all made from low maintenance and corrosion resistant 316 stainless steel. Associated fittings are designed around wire rope or chain diameter making it easy to choose compatible fittings when creating assemblies. Need us to help with a custom wire rope or chain assembly? We offer machine swaging and welding services, as well as proof load testing and certification. Let our stainless product shine in your next architectural project!

Suncor Stainless offers budget-friendly stainless components for a variety of every day use. You'll find a great selection of pad eyes, connecting links, chain, clips, fasteners and more! Wise homeowners and DIYers know the benefits of purchasing stainless; it looks great, its strong, is low maintenance, and offers peace of mind knowing that it will last a lifetime. Put our stainless steel products to work around your home!

SERVICES

CUSTOM MANUFACTURING

Suncor Stainless is committed to quality and unparalleled customer service with the goal of providing you with the best products on the market. Suncor's modern facilities manufacture an extensive array of ever-expanding product lines. We offer a variety of value-added services as well as custom stainless steel manufacturing. Our services include **custom stainless steel chain assemblies, custom stainless steel manufacturing, threading, machine swaging, product testing, custom webbing, and retail packaging.**

Suncor Stainless offers a state-of-the-art manufacturing facility that has the unique ability to design, engineer, and manufacture custom parts meant to fit specific functions or requirements. Almost any stainless steel custom-made products can be produced in long or short runs on a made-to-order basis. With our extensive capabilities, the Suncor team can work with you to design, specify, and manufacture complete parts or individual components to meet your specifications.

RETAIL PACKAGING

Suncor's retail packaging program features:

- Standard sizes
- Bar coding
- Full product description
- Durable packaging
- Colorful graphics
- Customizable packaging programs
- A knowledgeable and courteous support team

PRODUCT TESTING

Suncor tests all product that we sell in three areas: elemental metals content, stress and tensile strength, and physical salt spray for corrosion resistance proofing. Additionally, all products are physically inspected (PI) for design dimension and physical appearance.

WIRE ROPE & SWAGING

Make Suncor your one-stop-shop for all your custom wire rope assembly needs. We stock a large variety of stainless steel wire rope and swage components to provide a quick turnaround on large and small custom assemblies for architectural, marine, industrial and military applications.

CUSTOM WEBBING

Suncor's Webbing Department offers custom webbing services and features automated sewing machines. Webbing options include:

- Orange Nylon
- Blue Tubular Nylon
- Black Nylon
- White Nylon
- Light Blue Polyester

CUSTOM THREADING

Suncor can handle almost any custom threading requirements in both long and short runs. Suncor's custom threading options include:

- UNF, UNC and Metric
- Left hand and right hand thread
- Diameters up to 1-1/2"
- Lengths up to 16"

USA MADE CHAIN MANUFACTURING

Cut to length chain with the option to add rings, hooks, clips, or other accessories. We provide both USA made and imported chain products. Suncor specializes in custom chain fabrication combining welding services, slings, testing, and custom assemblies for all requirements.

Thank you for making Suncor Stainless
your number one source for quality stainless products!
